### Example of "All Delivered Submitter Facilities" View.

The screenshot shows a web browser window with a search interface. On the left is a navigation menu with options: Search DE PCP, User Info, and Password Change. The main search area contains several input fields: Patient Last Name, Patient Birth Date (mm/dd/yyyy), Patient Sex (a dropdown menu), and AKA Name. Below these are Start Report Date and Report Date (both mm/dd/yyyy), a Filter Paper # field, and an Include Only Your Practices checkbox. There are Submit and Results buttons at the bottom of the search area. Below the search area, the text "Search Results (Adobe PDF Viewer Required)" is visible.

The table content is mostly obscured by a large black redaction box. Only a few fragments of text are visible, including "Hospital", "MEMOURS", and "DE".
